COPYRIGHT AGREEMENT

1. This copyright agreement for the above mentioned contribution confirms that the work is the author's original, unpublished research and is not under consideration for publication elsewhere, hereby agreed with the publisher, Chitkara University Publications, Chandigarh. The author(s) agrees to grant the right to the publisher to edit, publish, reproduce, distribute, and transmit the work and to authorize reputable third parties (such as document delivery services) to ensure maximum dissemination of the work.
2. If the research article contains material for which the author does not hold the copyright, it is the author(s) responsibility to obtain the copyright permission from the original author and publisher of that material before submitting the research article to this journal. A copy of the permission must be submitted along with the manuscript. Also, the source of the granted material should be acknowledged in the acknowledgements section and within the relevant captions.
3. This agreement must be signed by the corresponding author. If there are multiple authors, then each author should sign below; if this is not possible, the corresponding author may sign on behalf of all authors. In such cases, it will be understood that this agreement has been authorized with the consent of all authors. This form must be submitted before the manuscript is published in the above-mentioned journal.

AUTHOR'S RIGHTS

If the research work or article was completed under the employer's supervision, the publisher, Chitkara University Publications, assumes that signing this form, the author(s) has received authorization from the employer. The author(s) and the employer retain the following rights:

1. All proprietary rights under Section 14 of the Copyright Act, 1957.
2. Author(s)/employer have the right to reproduce the work or authorize its reproduction.
3. Both the author(s) and employer have the right to use the copies of the manuscript, fully or partially, for personal use.
4. The author(s)/employer have the right to include the manuscript, fully or partially, in his research thesis or dissertation.
5. For the oral/poster presentations at conferences/symposia/workshops/seminars, the author(s)/employer have the right to use the manuscript, partially or fully.
6. Author(s)/employer have the right to display the manuscript on a personal homepage or an institute/university website(s).
7. Author(s)/employer have the right to upload the manuscript on third-party websites such as <https://arxiv.org/>, but not to distribute or request its upload on other publishers' websites.

I hereby declare that I have read and understood the details regarding the copyright of the research work/contribution submitted to the Journal of Pharmaceutical Technology, Research and Management, Chitkara University Publications, Chandigarh-160009, India.
